

# 19<sup>th</sup> Melbourne Money and Finance Conference 2014

## Current Issues in Australian Financial Markets

Monday 28<sup>th</sup> and Tuesday 29<sup>th</sup> July 2014

(Optional welcome buffet dinner, Sunday 27<sup>th</sup> July 2014 @ 7pm)  
Brighton Savoy Conference Centre, Brighton, Victoria

Please find attached, information regarding this year's Conference, a preliminary programme and a registration form. Previous conferences in this series have been extremely successful, partly because of the quality of papers presented, partly because of the quality of discussion (under Chatham House rules) among conference participants, and partly for the networking and camaraderie amongst participants. We believe that this year's Conference will be just as successful and well worth attending.

The Conference is by invitation only, and limited to around 60 individuals (one third from academia, one third from business, one third from the public sector).

The conference is generously sponsored by **APRA, National Australia Bank and Reserve Bank of Australia** and is supported by **Finsia**.
